Muriel Piaser, founder of *Muriel Piaser Consulting*, is at the head of *Precious Room by Muriel Piaser*. She acknowledges with passion and professionalism since more than 15 years the importance of nurturing these budding talents, commenting:

*“The fashion and jewelry design scene is constantly evolving and I am very glad that creative talents are effectively showcased at a range of this new concept, real catalyst for promoting established and young talents. My work is to create attractive environments for creative talents. I really feel that my involvement*

*makes a lasting contribution to consolidating fashion industry in this constant mutation of the market.”*

This wonderful initiative offers emerging and established jewelry designers *invaluable support* at different stages in their global business and marketing development.

An elegant, intimate *Paris highly selective event* environment befitting of your brand, all located in the unparalleled Palais Vivienne.
